Welcome to the Fair Price Hotels Landhaus Nassau & Deutsches Haus in Saxony

Dear Guests,

Our family's owned hotel is situated in the beautiful landscape of Saxony located nearby the river Elbe in Meißen
- a place which is well known for its legend and history. We offer both professional hospitality and individual service.

Whether business trip or holiday trip, alone or with your friends and family: We hearty invite you to get to know our family hotel and to feel what it means „…being at the right time at the right place…"

Our 26 double rooms and seven single rooms are spacious and comfortably furnished. All rooms have a shower, a toilet and are equipped with a television and Wi-Fi for free. Beside various possibilities to discover the surrounding area, like an excursion to the Meißen castle or the church you are also invited to relax in our beautiful garden, play an exciting board game or to read an interesting book at our book corner.

Start your day with a delicious breakfast buffet that includes seasonal fruits and herbs from our garden or enjoy it in the summertime in our green inner courtyard while having a cup of tea or coffee. To enjoy and experience traditional Saxony dishes for lunch and dinner you can visit one of the numerous restaurants in the area.
